MOBILE ESCAPE EXPERIENCE

TIMELINE

TIMELINE

is an mobile escape game experience where players join police forces for one day in hopes of helping to solve a tricky crime case before its too late.

Game is played in smaller groups using players own mobile phones as a crucial part of investigation.

By gathering information, solving escape-like puzzles and moving around the game area, the secrets of the case start to unfold.

The Timeline-game brings fun activity to the middle of the parties & conferences and challenges your team to work on their problem solving, communication and teamwork skills.

**Can you solve the case of a popular journalist Tapio Kortes?
